REMARKS

On July 26, 2011, Abelman Frayne & Schwab ("AFS") was advised for the first time by an e-mail from our associate in Israel, that the subject application had become abandoned as a result of a NOTIFICATION OF ABANDONMENT which was mailed by the USPTO on February 7, 2011. The Israel associate found the NOTIFICATION when checking PAIR.

The basis for the abandonment by the USPTO was that "Applicant has failed to respond to the Notification of Missing Requirements Form PCT/DO/EO/905, mailed June 1, 2009, within the time period set therein."

Applicants responded to the Notification of Missing Requirements under 35 USC 371 of June 1, 2009 on June 10, 2009 by filing a Response and an executed Declaration/Power of Attorney, copies enclosed. Applicants received a postcard that was stamped as being received by the Office of Initial Patent Examination on June 10, 2009, a copy of which is also enclosed.

The reason why the Notification of Abandonment of February 7, 2011 only came to hand by our Israel associate on July 26, 2011 was that the USPTO mailed the NOTIFICATION to Jay S. Cinamon, Abelman Frayne & Schwab, 666 3rd Street, New York, NY 10017-5621. Thus, the Notification was never received by AFS since the address is incorrect.

Applicants correct address is 666 Third Avenue, New York, NY 10017-5621 as indicated on the unexecuted Declaration which accompanied the filing of the Application of August 9, 2006.

In addition, the Office of Petitions on July 27, 2007, successfully mailed a DECISION GRANTING PETITION to Abelman Frayne & Schwab at 666 Third Avenue, 10th Floor, New York, NY 10017.

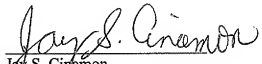

Thus, to summarize, Applicants timely responded to the NOTIFICATION OF MISSING REQUIREMENTS and the NOTIFICATION OF ABANDONMENT was mailed by the USPTO to an incorrect address.

Applicants request that the NOTIFICATION OF ABANDONMENT be withdrawn and the application be restored to pendency.

It is not believed that any fees are due in connection with this Petition. If any fees are due, please charge same to our Deposit Account No. 01-0035.
